For Broken Trust

Sometimes there is an invisible raven That will fly low to pierce the shell of trust When it has been brought near to ground.

When he strikes, he breaks the faith of years That had built quietly through the seasons In the rhythm of tried and tested experience.

With one strike, the shelter is down And the back yoke of truth turned false Would poison the garden of memory.

Now the heart's dream turns to requiem, Offering itself a poultice of tears To cleanse from loss what cannot be lost.

Through all the raw and awkward days, Dignity will hold the heart to grace Lest it squander its dream on a ghost.

Often torn ground is ideal for seed That can take root disappointment deep enough To yield a harvest that cannot wither:

A deeper light to anoint the eyes, Passion that opens wings in the heart, A subtle radiance of countenance: The soul ready for its true other.

John O'Donoghue

Please pray for the souls of MarieSaunders (nee) Kelly, Cheltenham & Pound Street, Sister of Johnny Kelly, Glebe Street

May you support us all the day long until the shadows lengthen and the evening comes, and the busy world is hushed, and the fever of life is over and our work is done. Then, Lord, in your mercy grant us a safe lodging, a holy rest, and peace at the last, through Christ Jesus, our Lord"

Sr. Eileen - Cúinne Aire do Chruthú Dé

Le tamall anuas cloisimid sna meáin chumarsáide faoi thubaistí nádúrtha atá ag tarlú ar fud na cruinne. De réir na saineolaithe is é an cine daonna faoi ndear roinnt mhaith díobh seo. Mar sin ba cheart dúinn gach iarracht a dhéanamh chun iad a mhaolú. Chruthaigh Dia an domhan dúinn chun maireachtáil inti le cruthaitheacht agus freagracht. Ina imlitir Laudato Si, impíonn an Pápa Proinsias orainn ár nósanna a athrú toisc an scrios atá déanta againn don domhan trí mhíúsáid .ls í Éire an tír is mó san Eoraip le dramhaíl phlaisteach. De réir na staitisticí is déanaí téann 13 milliún tonna plaisteach isteach i bhfarraigí an domhain gach bliain agus tógann éisc, éanlaith agus orgánaigh eile iad isteach ina gcoirp gan trácht ar an díobháil don duine. Is féidir linn gearradh siar ar an méid dramhaíl a chaithimid i dtraipisí gach aon lá. Ní foláir dúinn machnamh ar Laudato Si.

Minister of God's Creation

We hear and read daily of weather related disasters worldwide. According to the experts, these are the result of first world lifestyles. We ought to make every effort to redress the harm done. God created the world for us to live in it creativity and responsibility. In his Encyclical Laudato Si, Pope Francis invites us to change our habits. Ireland has the most plastic waste in Europe. According to the latest statistics, 13 million tons of plastic go into the world's seas every year. Fish, birds and other organisms take this into their bodies and so it enters the food chain. We can dramatically reduce our use of plastic and other pollutants. Let us reflect on Laudato Si.
